

St. Mark's History intent

As historians, our children will be encouraged to question their understanding of the past, inspiring a curiosity to learn more about the society in which we live and those of the wider world. Children will critically examine sources and evidence, establishing clear and coherent narratives through civilisations, empires and communities across both Britain and globally. With this knowledge, they will be informed to critically evaluate and explore change, making connections, identifying contrasts and trends over time and recognising how the past impacts upon the present and our futures.
