

St. Mark's Art intent

As artists, our children will be challenged and inspired to develop a sense of individual expression and have the confidence to imagine, invent, design and create their own works of art through a wide range of media and techniques. Experimentation, fuelled by curiosity, is embraced and valued as children develop techniques in using colour, pattern, texture, line, shape, form and space.

Alongside this, children will deepen their knowledge of great artists, as well as local artists, who have shaped and contribute towards our artistic culture and heritage on a local, national and global scale.
